Anna's Signature Facial	\$128
A relaxing yet results driven customised classical facial, includes face, neck, décolletage and scalp massage.	

Microdermabrasion	\$99
Our Microdermabrasion treatment consists of a vacuum pulling the skin to an abrasive pad, this exfoliates the dry dull skin while stimulating Circulation and Collagen production, each treatment removes one to two layers of dead skin.	

All of our services are performed under strict hygiene standards as per QLD government guidelines, we use ONLY professional products.

Derma Frac Facial	\$199
--------------------------	-------

** Pain Free with no downtime*

The Dermafrac tm is the new approach to skin care. It combines 3 modalities to improve overall skin function and cellular turnover without compromising the integrity of the skin. The 3 modalities are Microdermabrasion, CIT (Collagen Induction Therapy) and LED Therapy (light emitting diode)

Derma Frac Infusions There are 4 types of infusions to suit all skin conditions:

Anti Aging Peptide Solution
Lightening Solution
Hydrating Solution
Clarify Solution
